

2019

Right now,
Bond students have
the advantage

WHY BOND?

Because we do things differently.

1

FINISH YOUR DEGREE UP TO A YEAR AHEAD OF THE REST

At Bond, you won't lose time with long breaks between semesters. We run three full semesters a year, with intakes in January, May and September. This means that you can complete a standard bachelor's degree in just two years. It also means you will be out in the workforce up to a year ahead of the rest, earning sooner.

2

BE MENTORED BY WORLD LEADING ACADEMICS

Bond's personalised teaching philosophy means you will learn in smaller class sizes with unprecedented one-on-one access to your professors. Even outside of class time, our academics have an open door policy that means they will not only know you by name, they'll actively mentor your progress.

3

GRADUATE BETTER PREPARED

At Bond, we believe education goes beyond the classroom. Our unique Beyond Bond program will expand your horizons with internships, global volunteering programs, international competitions, industry conferences, study tours, community service and much, much more.

This is why our graduates are the first choice for many employers. They are immediately distinguishable in the workplace for their confidence, maturity, global awareness, skills and leadership qualities. Bond sets you up to succeed.

WELCOME TO BOND UNIVERSITY

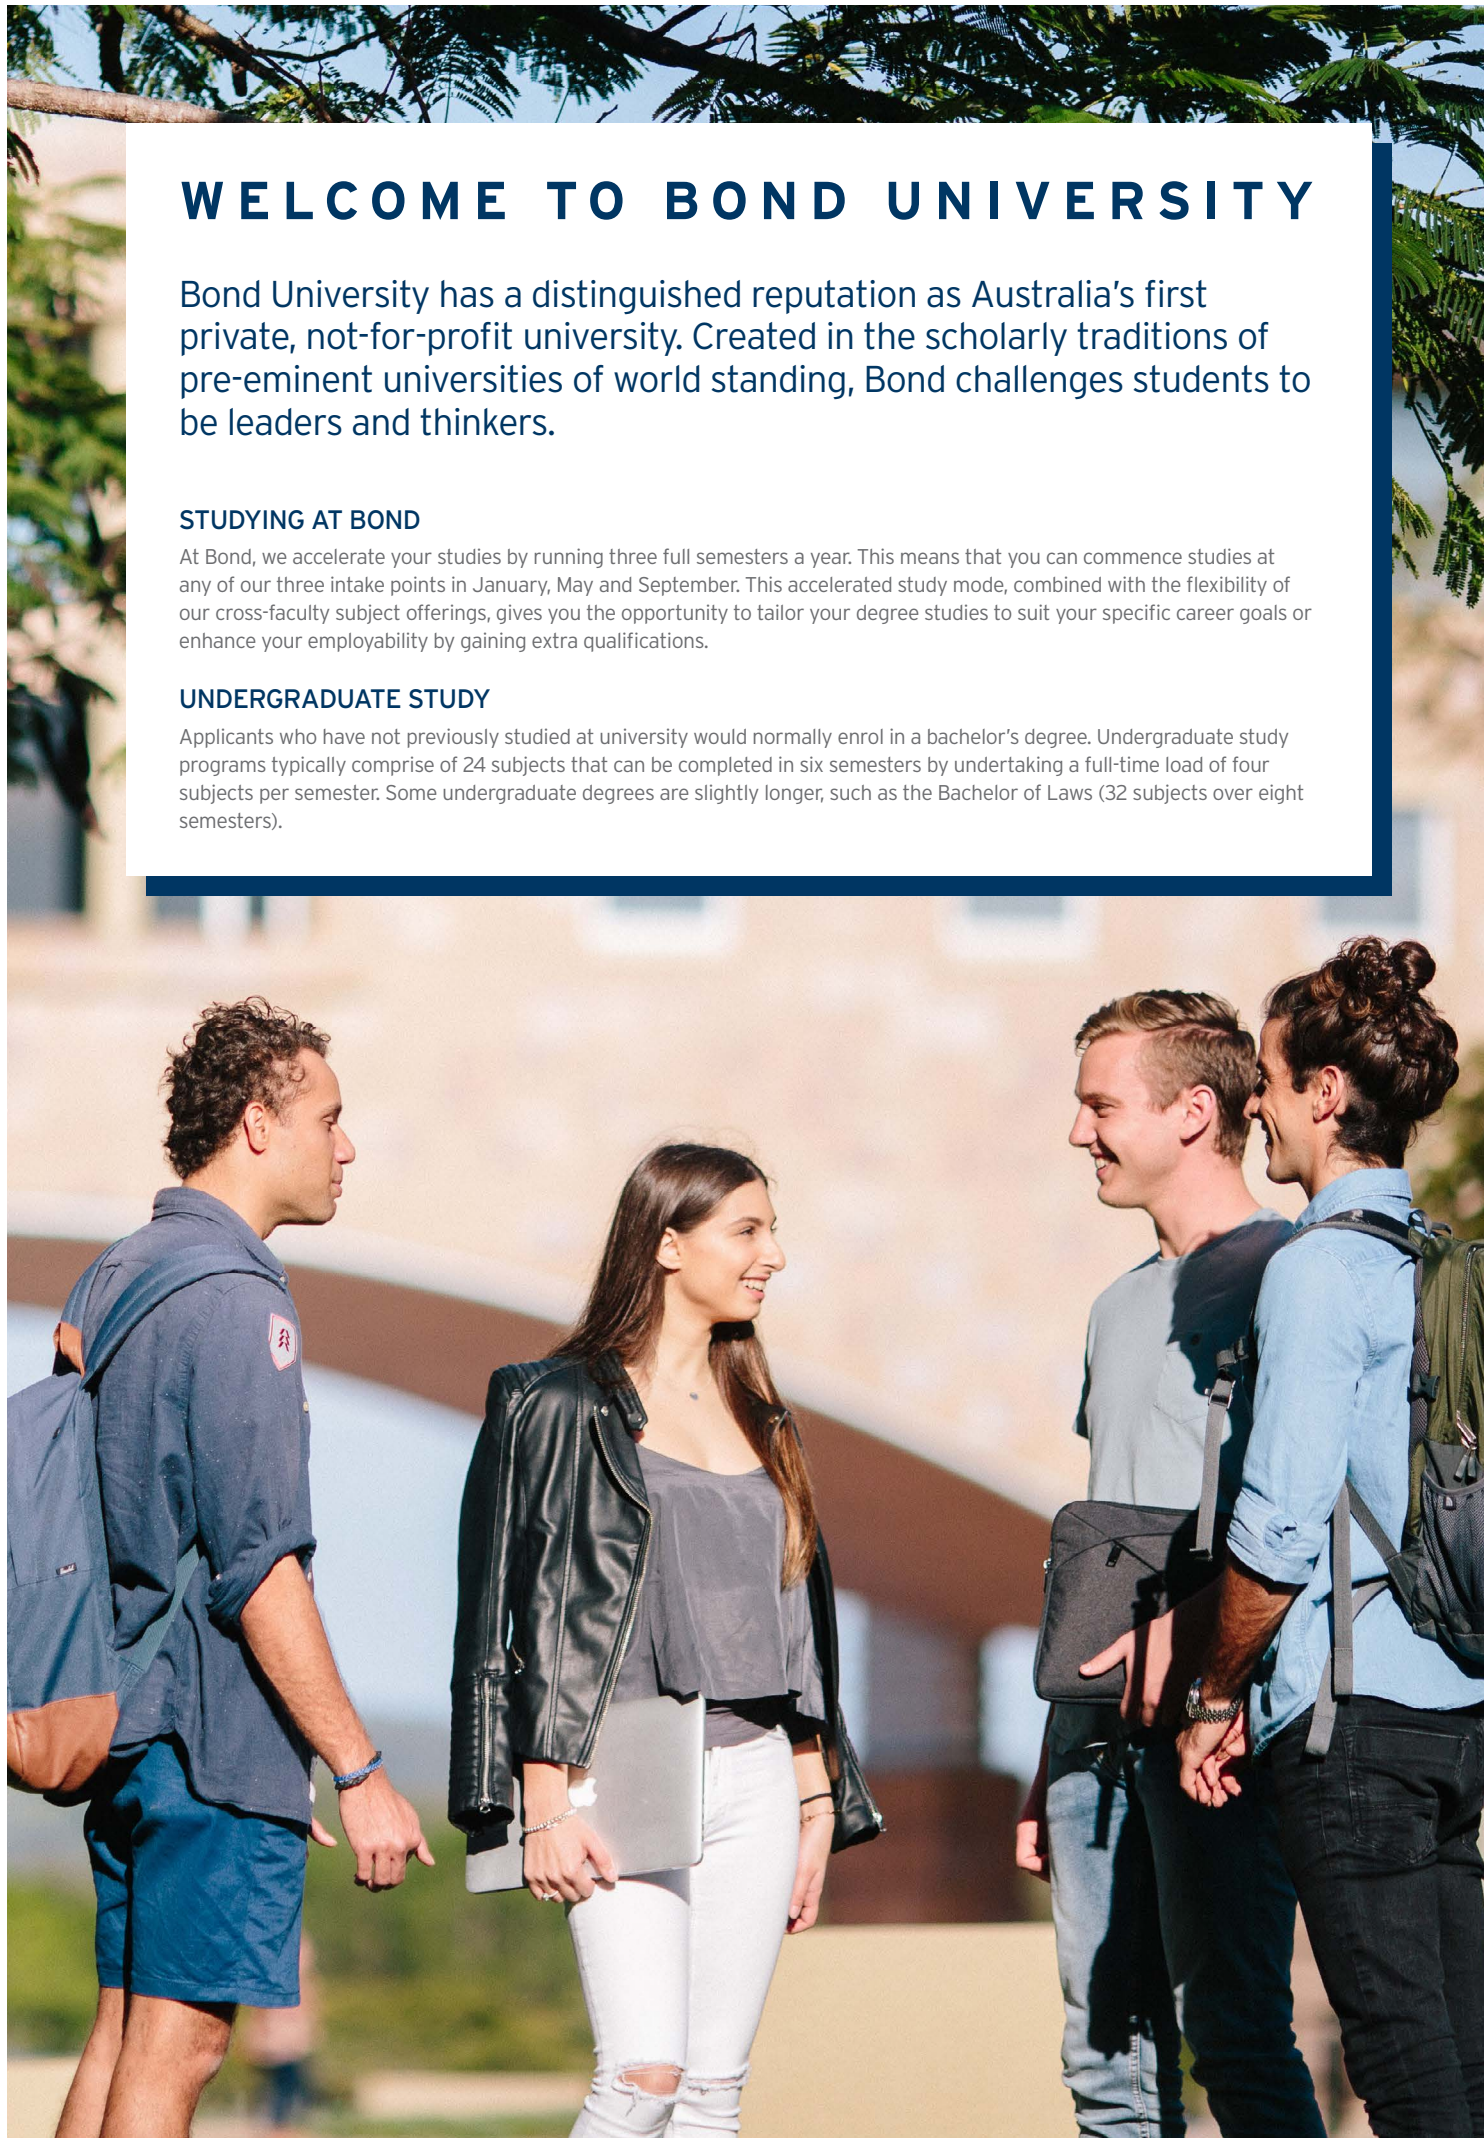

Bond University has a distinguished reputation as Australia's first private, not-for-profit university. Created in the scholarly traditions of pre-eminent universities of world standing, Bond challenges students to be leaders and thinkers.

STUDYING AT BOND

At Bond, we accelerate your studies by running three full semesters a year. This means that you can commence studies at any of our three intake points in January, May and September. This accelerated study mode, combined with the flexibility of our cross-faculty subject offerings, gives you the opportunity to tailor your degree studies to suit your specific career goals or enhance your employability by gaining extra qualifications.

UNDERGRADUATE STUDY

Applicants who have not previously studied at university would normally enrol in a bachelor's degree. Undergraduate study programs typically comprise of 24 subjects that can be completed in six semesters by undertaking a full-time load of four subjects per semester. Some undergraduate degrees are slightly longer, such as the Bachelor of Laws (32 subjects over eight semesters).

INVESTING IN YOUR FUTURE

Your university degree is one of the most important investments you will make in your lifetime. As with all investments, you must consider the rate of return of both the short-term career opportunities and your long-term lifetime earnings.

TUITION FEES

Tuition fees vary depending on your choice of degree. For all coursework degrees, the tuition fee is charged on a per subject basis. Although some degrees such as Law and Medicine are longer, a standard university degree, such as the Bachelor of Business, comprises of 24 subjects.

Taking the Bachelor of Business as an example, fees can be broken down in the following way:

NUMBER OF SUBJECTS PER SEMESTER	COST PER SUBJECT	COST PER SEMESTER FOR FULL- TIME STUDY LOAD (FOUR SUBJECTS)	TOTAL DEGREE COST
4	\$4,247	\$16,988	\$101,928

The above information is based on 2018 fees. For specific degree and course costs, please visit bond.edu.au/fees.

FINANCING YOUR DEGREE

Bond University is a not-for-profit, independent university, which means that fees are directly reinvested to provide outstanding education and facilities. Tuition is charged at the beginning of each semester as you enrol. There are a number of options available to help you finance your education investment, including assistance from Bond University, government loan programs and personal bank loans.

If you are an Australian citizen or a holder of a permanent humanitarian visa and have a Tax File Number you will be able to access the Australian Government's Higher Education loan program, FEE-HELP and SA-HELP.

FEE-HELP is an interest free loan that helps eligible fee paying students pay their tuition fees. This accumulated debt is indexed annually by the Australian Taxation Office, according to the Consumer Price Index (CPI). For more information about the Australian Government assistance for financing study, go to studyassist.gov.au/sites/studyassist or bond.edu.au/fee-help or bond.edu.au/fee-help.

SCHOLARSHIPS

Bond University's Scholarship program encompasses a range of awards available to both Australian and international students at an undergraduate and postgraduate level.

Bond offers a number of full fee and part fee scholarships to the best and brightest applicants each semester. Our scholarships are designed to reward and encourage students who have excelled in the areas of academia, leadership, community and sport.

For more information on our scholarship opportunities, selection criteria, deadlines and conditions, visit bond.edu.au/scholarships or contact the Manager, Schools and Community in your area. Their contact details can be found at bond.edu.au/contact.

HOW TO APPLY TO BOND

1

PICK YOUR PROGRAM.

Deciding on a degree or program is a personal choice. It's about choosing the right program for you - your interests, your future.

Find more information about programs offered at Bond by visiting; bond.edu.au/future-students/study-bond/search-program.

2

APPLICATION PROCESS.

Applying to study at Bond is easy! Applications for most Bond programs excluding the Medical Program^ can be lodged at any time directly to the University, you do not need to go through QTAC.

To start your application process visit bond.edu.au/apply-now.

3

REQUIRED DOCUMENTS.

Make sure that you complete all required fields in your application form including uploading required documentation.

This documentation may include:

- Original Academic Transcripts
- Academic References
- Passport
- Resume / CV
- Any other documents required for specific programs

For more information visit the How to Apply page; bond.edu.au/apply.

4

APPLICATION SUBMISSION.

Agree to the application declaration and click 'Submit'. You'll receive an email from Bond University to confirm your application was successfully submitted.

5

APPLICATION PROCESS TIME.

The application review process will normally take two weeks provided all supporting documentation has been provided.

6

RECEIVE YOUR LETTER OF OFFER.

As a successful applicant, you will receive an email from us offering you to officially become a Bond student. This email includes:

- A formal Letter of Offer from Bond University
- A Response to Offer form
- Information about fee payment options and accommodation

7

ACCEPT YOUR OFFER.

You are two steps away from confirming your place and joining the university of now! To accept your offer all you need to do is complete and return your Response to Offer form to admissions@bond.edu.au and pay the required fees as listed on your offer.

8

ORIENTATION.

Your first introduction to university life! Orientation is the perfect time to make new friends, find your way around campus and complete your enrolment at Bond. The Orientation experience features an exciting program of social activities where you can relax and meet people, and there is lots of information so you are ready to kick start life as a Bondy.

STATE-OF-THE-ART FACILITIES

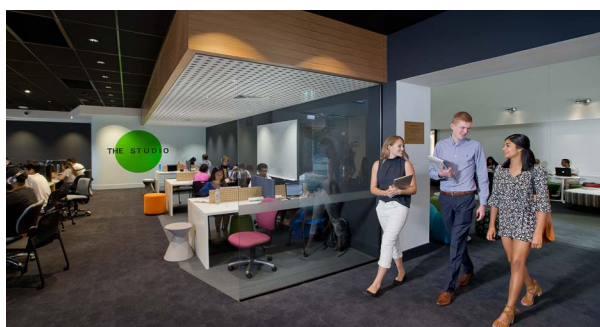

Studying at Bond University provides you with access to world-class facilities on campus. You will gain a clear advantage through easy access to unparalleled academic, technological and recreational facilities.

TRANSFORMER HUB

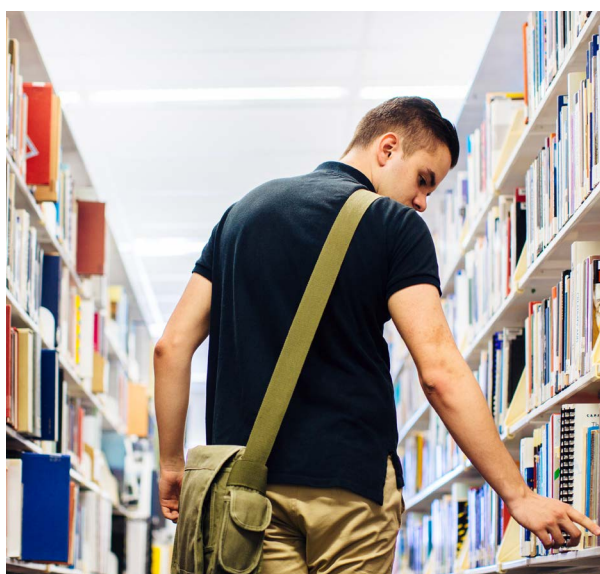

Opened in May 2017, Bond Business School's new state-of-the-art facilities incorporate a dynamic co-working space, dedicated to the Transformer program. Designed around the concept of 'accelerated serendipity', it features a series of zones where chance encounters transform into productive discussions, brainstorming sessions and planning meetings.

The Transformer program provides an opportunity for students to work on a project of their own choosing, managing the process through the key stages from initial concept to implementation.

TECHNOLOGY

The Balnaves Foundation Multimedia Learning Centre (MLC) is a technology-rich and architecturally exciting learning environment. It provides over 300 collaborative study spaces and the latest audio visual and computer technology in a spectacular location. Access to study booths with LCD screens for interactive learning, a collaborative learning room with a Smartboard, HD projector and video conferencing facilities are provided together with flexible furniture arrangements to accommodate group work and discussion.

LIBRARIES

Bond University's John and Alison Kearney Library provides access to a wide range of resources that support the teaching, research, and learning needs of the University. The collection contains over 240,000 ebooks, 120,000 physical items and 75,000 electronic and print journals.

The Library, which can accommodate over 450 students has over 200 computer workstations, is housed in a contemporary setting with the lakeview room providing spectacular views over the campus.

In addition, the recently refurbished John and Alison Kearney Law Library has the capacity to accommodate over 350 students with over 40 computer workstations. It provides a fresh and modern environment that maximises natural views with flexible study options, consultation spaces, active, collaborative and silent study areas. A unique feature of the refurbished space is the inclusion of a Moot Court. The Library maintains an extensive collection of specialised law resources online and in print for Australian and selected international jurisdictions.

CAFÉS AND RESTAURANTS

Bond University offers a range of dining styles on campus. Lakeside and Papyrus offer dine-in and takeaway options, and the University Club hosts dine-in lunch overlooking the lake. Bond caters to most dietary requirements including gluten free, halal, vegetarian and vegan options.

SPORT AT BOND

At Bond University, sport is a part of our DNA. We see sport and education entwined. We have a proud history of sporting tradition and we support all students in their endeavours to play, compete and represent at all levels.

SPORTS CENTRE

Bond University's Sports Centre encompasses a gym with state-of-the-art fitness equipment and measures 2,700sqm. The centre is truly the jewel in the crown of Bond University Sport. All students get free access to Bond's wide range of sporting facilities including:

- World-class gym
- 50 metre heated Olympic swimming pool
- Spa
- Beach volleyball courts
- Group exercise rooms and classes
- Rugby and AFL / Soccer fields
- Sports Hall
- Squash courts
- Tennis courts
- Golf and cricket practice nets

For more details visit bond.edu.au/sports-centre.

PERFORMANCE SPORTS

At Bond we have a number of key performance sports in which we offer world class coaching and facilities. These sports include; swimming, rugby union including women's rugby 7's, AFL and netball. With each of these sports we have high level partnerships and strategies to ensure we compete at the highest level both domestically and on the global stage.

BOND ELITE SPORT PROGRAM

At Bond we pride ourselves on being an athlete friendly university. Athletes at the very top of their sport have the chance to join Bond's Elite Sport Program (BESP). BESP allows athletes the flexibility to balance their goals both on the sport field and in the classroom. For details on Bond's Elite Sport Program, please visit sport.bond.edu.au/programs/elite-sport-program.

BOND BUSINESS SCHOOL

Comprising two industry-standard trading facilities, Bond Business School offers every student unparalleled, 24-hour access to 40 Bloomberg terminals. Used predominantly in accounting, actuarial science, economics and finance classes, all students benefit from exposure to live market information.

In the Big Data Centre you will gain practical experience with data analytics, portfolio management, economic trends and financial trading, giving you a competitive edge in your career.

Our students also have access to the Bond Business Commercialisation Centre (BBCC), a dedicated area to help build tomorrow's innovative thought leaders and budding entrepreneurs, one by one.

FACULTY OF HEALTH SCIENCES & MEDICINE

Incorporating the latest technology, the Faculty of Health Sciences & Medicine contains the following outstanding learning facilities:

- Anatomy and Histology Laboratory fitted to handle human cadaveric material, also contains an extensive collection of modern anatomical models and histology slides;
- Clinical Skills Rooms – Exposing students to a variety of real world situations before they commence their placements with state-of-the-art equipment including computerised simulations and human patient simulators; and
- Bond Institute of Health and Sport, housing an award winning High Performance Training Centre, as well as world-class laboratory and monitoring equipment for students studying nutrition and dietetics, physiotherapy, occupational therapy, and exercise and sports science.

FACULTY OF LAW

Bond Law's Legal Skills Centre is the first of its kind to integrate the full complement of legal-based training facilities, with moot courtrooms and purpose-built suites designed for interviewing, dispute resolution and Professional Legal Training.

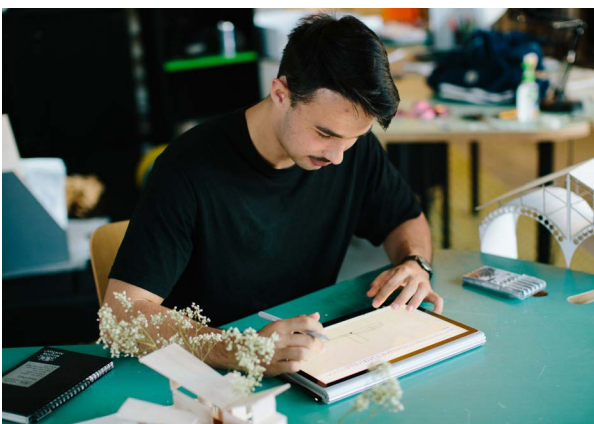

Designed on input provided by judges, legal practitioners and the Faculty, this world-class facility is designed to give you simulated real world experience in practising your legal skills. It is equipped with evidence management systems, video conferencing facilities and video streaming that replicates the very latest technology used in the High Court of Australia.

FACULTY OF SOCIETY & DESIGN

The Faculty of Society & Design has several state-of-the-art teaching and learning facilities including the Level Up Lab and Development Studio, Loan Store for Film and Television and Journalism students, Newsroom, a simulated workspace for advertising students called the Upper Basement, and more including:

- Abedian School of Architecture Building - The unique design of the award-winning building provides an exceptional learning experience where students and academics can learn, create and exhibit in an open studio environment.
- Fabrication Laboratory (Fab Lab) - The Workshop and Digital Fabrication Lab is comprised of state-of-the-art technical equipment including a laser cutter, 3D printer, CNC router and digital robotics.
- Sustainable Development Building - The building was the first in Australia to achieve a 6 Star Green Star - Education PILOT Certified Rating for design by the Green Building Council of Australia.
- Film and Television Studios - Students have access to state-of-the-art facilities, such as the new Sony F65 camera, 35mm and 16mm camera kits, all with Zeiss prime lenses, and high-end Panasonic Cine-HD cameras.
- Psychology Clinic - A private University teaching clinic. Student psychologists working in the Clinic have completed at least four years of full-time equivalent university training and undertake their internships supervised by highly qualified academic staff.

WHERE WILL YOUR DEGREE TAKE YOU?

There's a lot to consider when deciding what you will study. Knowing where your degree will take you after you graduate is very important.

Below is a list of our degrees based on career outcomes. Visit bond.edu.au/undergraduate-degrees for more information about undergraduate study at Bond University, or contact us to discuss your options. For contact details visit bond.edu.au/contact.

STUDENT LIFE AT BOND

Bond University's student life is vibrant and full of social activities year round. From sporting, social and special interest clubs as well as a full calendar of events and gatherings, there's so much to enjoy.

BOND UNIVERSITY STUDENT ASSOCIATION (BUSA) AND STUDENT ACTIVITIES MEMBERSHIP (SAM)

BUSA is your student organisation. BUSA's mission is to make student life at Bond more rewarding – ranging from enhancing academic pursuits, facilitating sporting involvement and satisfying social necessities. BUSA is funded through the Student Activities Membership (SAM) Fee, and is a voluntary, apolitical group of elected students here to represent you. SAM also provides you with access to the Sports Centre facilities and sports equipment hire along with discounted prices for massage services and personal training packages.

BUSA offers a number of services, including:

- Acting as your voice on University issues
- Clubs, societies and association support
- Events
- External connections
- Publications

BUSA is here to help you make the most of your time at Bond and exists to provide services to Student Activity Members and the broader student community.

SPORTING CLUBS

ROBIN SUTCLIFFE

Bachelor of Biomedical Science / Bachelor of Laws
President, Bond University Student Association (BUSA)

"BEING THE PRESIDENT OF BUSA IS THE HIGHEST NON-ACADEMIC HONOUR AT BOND UNIVERSITY. THIS IS A POSITION I AM EXTREMELY HUMBLLED TO HOLD. EVERY MORNING I WAKE UP NOT KNOWING WHAT CHALLENGES THE DAY WILL PRESENT ME WITH; AND I GET TO WORK WITH INCREDIBLE INDIVIDUALS TO SOLVE THEM WHEN THEY ARISE.

MOST DAYS I MEET WITH UNIVERSITY MANAGEMENT GROUPS, CLUBS, STUDENTS, AND BUSA MEMBERS. I WOULD DESCRIBE MY ROLE WITH BUSA AS A FACILITATOR AND A PROBLEM SOLVER."

On-campus student accommodation, single room in B Block.

SPECIAL INTEREST CLUBS AND SOCIETIES OPERATING ON CAMPUS

You can meet like-minded friends by signing up for active social and cultural clubs, some of which include:

- Animal Welfare League
- Bollywood Dance Club
- Bond Book Club
- Bond Christian Students
- Bond Entrepreneurship Collective Club
- Bond Investment Group
- Bond Pride Alliance
- Bond University Bushwalking Society
- Bond University Music Appreciation Club
- Bond University Nutrition Society
- Bond University Photography Society
- Bond University Snow Sports Club
- Bond Vocal Group
- Business Students' Association
- Debating Union
- Drama Society
- English Enthusiasts Society
- Exchange Club
- Freestyle Chillout
- French Enthusiasts Club
- Health Sciences and Medicine Students' Association
- Hillsong Powerhouse Bond University
- Indigenous Awareness Society
- International Students' Association
- Latin Society
- Law Students' Association
- Mentally Healthy Bond
- Muslim Students' Association
- Orchestra
- Postgraduate Students' Association
- Red Cross Society
- Society and Design Students' Association
- Student Philanthropy Council

For more information about BUSA, campus clubs, events and activities, visit the Bond Student page at bond.edu.au/busa.

WEDNESDAY BY THE WATER

Wednesday by the Water is a weekly student event. Funded by your student activities fee, it is a great excuse to be outside enjoying the beautiful blue sky while having a barbeque lunch with friends by the lake.

RES WARS

Resident students also get to take part in regular Res Wars activities where teams from each residential complex compete in a variety of sporting activities and other traditional university events.

LIVING COSTS

You should allow approximately AUD\$6,200 - \$9,000 for living costs each semester that you live on the Gold Coast. This may vary depending on your budget for rent, food, transport, clothing, recreation, textbooks, telephone, electricity and other living expenses. Please note this figure has been calculated using shared off-campus accommodation. For more information visit bond.edu.au/study-at-bond/study-abroad/living-expenses. At Bond University you will not need to budget for on-campus parking as it is made available free of charge to all students.

BOOKS AND STUDY MATERIALS

The costs for books, stationery, software and other resources tend to be the same at most universities. Allow around AUD\$300 per semester to help offset this cost, you may choose to sell your old textbooks and buy secondhand at the Bond Book Sale held the Friday of Week 1 each semester.

ACCOMMODATION OPTIONS

With a variety of accommodation options, there's something to suit most students' preferences, whether you wish to live on or off campus. There is also a wide range of rental accommodations available near the University if you would rather live off campus. For more information on accommodation options, visit bond.edu.au/accommodation or email student_residences@bond.edu.au.

JACQUELYNN CHONG

Bachelor of Biomedical Science

"I CHOSE BOND DUE TO THE SMALL CLASS SIZES AND ACCELERATED DEGREES. BOND ALLOWS STUDENTS TO ACHIEVE THEIR BEST RESULTS BY PROVIDING A LEVEL OF SUPPORT WHICH WOULD NOT BE FOUND AT ANY OTHER UNIVERSITY - ALL OF YOUR LECTURERS AND TUTORS ARE INVESTED IN YOUR STUDIES."

CAREER DEVELOPMENT SERVICES

CAREER DEVELOPMENT CENTRE

The Career Development Centre is a one stop shop for all of your career and employment support. Our qualified and experienced team of Employment Services Specialists will assist you with everything from part-time employment, internships and work experience, through to graduate opportunities and alumni career support. Our Business Development Specialists work closely with industry partners from top tier blue chip and multinational companies through to small and medium enterprises to assist them in recruiting top Bond University talent.

They provide a broad range of personalised services including:

- Careers advice and guidance
- Career path planning
- Graduate recruitment resources and assistance
- Graduate training program
- Career clinics and seminars
- Resume and job application reviews
- Interview preparation and coaching
- Internship and work experience support
- Volunteering opportunities
- Beyond Bond: Professional Development and Community Engagement

BEYOND BOND

Beyond Bond is an innovative, student-focused, non-traditional program that presents a life-learning experience like no other. It is embedded into our core curriculum as a degree requirement, but is personalised and tailored by the Career Development Centre team to match your specific interests and career goals, ensuring you make the most of all the wonderful opportunities available to you as a Bond student. There are no additional lectures or classes, no exams, no pass / fail grading system and no subject fee for participating in Beyond Bond. Our innovative delivery embeds our content within Bond's core curriculum, in addition to a variety of activities and workshops from which you can choose.

You will gain awareness and understanding of the career development process and, through the use of various job-related tools, you will be empowered to create your own professional approach towards your future career aspirations. You will also acquire a realistic appreciation of the world of work and broaden your employment skills beyond the classroom. Throughout the duration of your degree, you must accrue a minimum of 100 points by undertaking and reflecting on various activities and initiatives endorsed by the Beyond Bond program team.

INTERNSHIPS

We are committed to ensuring our graduates are ready to hit the ground running through internship and work experience opportunities. These opportunities provide you with invaluable skills in your selected field, which may lead directly to full-time employment opportunities.

Our qualified and experienced team work closely with industry partners from top tier blue chip and multinational companies, through to small and medium enterprises. Some of our industry partners include Amnesty International, Macquarie Group Limited, Clayton Utz, KPMG, Marriott International, Clemenger BBDO and the Royal Institute of Chartered Surveyors.

GLOBAL OPPORTUNITIES AT BOND UNIVERSITY

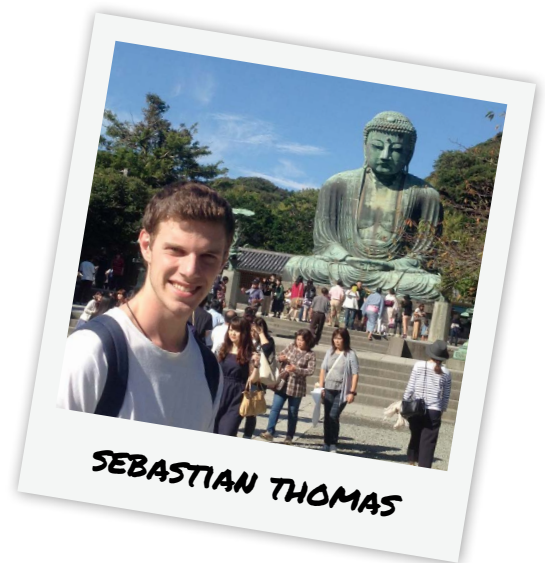

EXCHANGE OPPORTUNITIES

Bond University has over 80 partnerships with leading universities in 27 countries, enabling you to benefit from a global educational experience. A semester abroad will enable you to begin your next adventure without disrupting the time it takes to complete your degree. Not only will you get to live and study in another country, there are educational, personal and future career benefits to going on exchange. You will gain an international perspective to your degree, develop increased self-confidence and maturity, and stand out to future employers from the challenges you overcome during the experience. There are also a variety of exchange grants from \$2,000 to \$7,500 available to assist with overseas living costs. For a full list of participating partners and countries, visit bond.edu.au/exchange.

“

I was fortunate to study at Osaka University. Japan is one of many culturally rich countries within Asia, and throws you right in the deep end of life. I mean this in the most positive way. Trekking out in the snowy mountains of Hokkaido, escaping to Seoul for the weekend, 12 hour bike trips and so much more to explore. It's staggering, knowing just how much I could achieve in a single year. I met incredible people from all corners of the world, and together we explored Japan. This made for incredible memories. I took so much away from this experience.

SEBASTIAN THOMAS
BACHELOR OF ARTS / BACHELOR OF LAWS

”

Living in the Netherlands and studying at Leiden University has been one of the most significant experiences of my life so far! Learning from leading experts at the Leiden Law School has greatly expanded my knowledge and understanding in areas such as privacy law, internet governance and European legal history. In addition, I have been learning Dutch, attended events at The Hague, and have travelled to Finland, Russia, Germany and Belgium. Moving to a new country alone is transformative; this experience has enabled me to step outside my comfort zone, to gain personal and professional growth and make new friendships with students from all over the world.

MITCHELL WILLOCKS
BACHELOR OF BUSINESS / BACHELOR OF LAWS

STUDENT SERVICES

Bond students benefit from the range of support services available on campus, relating to every aspect of study, medical and personal wellbeing and career development.

SUPPORT SERVICES

Bond values the cultural differences and diversity brought to the campus by its Australian and international students and makes every attempt to ensure you feel welcome.

The personalised attention you receive in the classroom extends to every aspect of life at Bond. The University offers students numerous learning support services including:

- Computer support
- Disability support
- Medical services
- Nyombil Indigenous Support Centre
- Pastoral care
- Psychological services
- Safety on campus
- Student learning support
- LGBTIQ services and support

RESPECT.NOW.ALWAYS

Bond University and the Bond University Student Association (BUSA) are jointly committed to a healthy culture of respect and responsibility that provides for a safe and supportive campus for everyone.

Bond University has a zero-tolerance approach to sexual assault, harassment and violence.

For more information on the student support services offered at Bond visit; bond.edu.au/current-students/services-support/student-support.

Bachelor of Business

**"I'M LIVING ON CAMPUS AND
ABSOLUTELY LOVE IT!"**

**THE ACCELERATED DEGREES
OFFERED AND INDUSTRY
EXPERIENCE REQUIRED TO
COMPLETE THE BEYOND BOND
PROGRAM PLAYED A HUGE ROLL
IN WHY I CHOSE TO COME BOND.
ALL THE LECTURERS HAVE SO
MUCH INDUSTRY EXPERIENCE
AND ARE ABLE TO GIVE REAL LIFE
EXAMPLES OF HOW THE CLASS
CONTENT IS THEN TRANSFERRED
INTO THE BUSINESS WORLD."**

EXPERIENCE UNIVERSITY LIFE

You don't have to be a Bondy to find out what it's like to study at Bond. Our campus opens its doors throughout the year to high school students giving a first-hand experience and insight into what life at Bond is all about.

For more information and to register for any of the below programs, visit bond.edu.au/experience.

OPEN DAY

Join us at Bond University Twilight Open Day on Saturday, 28 July, 2018 as we provide the opportunity for students, parents and mature age applicants to have an all-access pass, giving you the opportunity to explore the campus and what's on offer. Visit bond.edu.au/Open-Day.

CAMPUS TOURS

What better way to discover and experience Bond yourself than with a Bondy? Our current students can give you a true insider's guide to student life and studying at Bond. We offer tailored tours specific to your interests, which can be arranged at any time to suit you. For more information, visit bond.edu.au/Campus-Tours.

HEADSTART DAY

On Monday, 22 October, 2018 we invite Year 10 and Year 11 students who want to experience life as a Bond student to take part in simulated lectures and tutorials, enjoying interactive activities, meeting our professors and current students, and getting to know your way around our campus. Visit bond.edu.au/Headstart-Day.

STUDENT FOR A SEMESTER

This program gives high achieving Year 11 and 12 students the opportunity to make a start on their university studies before they finish high school. As part of this program you will enrol in a Bond University subject, attend lectures and tutorials on campus, complete assignments and sit for exams. You'll be mixing with Bondies, meeting academics and getting involved in university life.

Students who successfully pass their Student for a Semester subject/s may be able to gain credit towards a Bond University undergraduate degree. If you achieve a grade of at least 50%, you can apply to do a second subject at our special Student for a Semester rate. Students who successfully complete and pass two Student for a Semester subjects will be eligible for direct admission into Bond University's full degree programs upon completion of their Year 12 studies (some restrictions apply). Visit bond.edu.au/future-students/study-bond/see-yourself/student-semester.

THE BOND UNIVERSITY HIGH SCHOOL MODEL UNITED NATIONS CONFERENCE

Open to high school students in Year 10, 11 or 12, the conference is designed to instill students with critical thinking, to nurture collaboration, build confidence and improve communication skills! Awards include: Best Position Paper, Best Delegation and Diplomacy Award. Visit bond.edu.au/BUHMUN.

ARCHITECTURE LECTURE SERIES

The Architecture Lecture Series is a series of free events hosted by practitioners and academics who are helping to expand and explore the definition and edge condition of architectural practice. Most events in the series are complimentary, and aim to connect Architecture students, professionals and community with internationally renowned architects. This series is brought to you by the Abedian School of Architecture at Bond University. Visit bond.edu.au/architectureseries.

IDEAS CAMP

A one day boot camp held on Wednesday, 8 August, 2018 designed to inspire our future business leaders. We've brought together some of Australia's most successful young entrepreneurs to stir the embers of your business dreams. So come gather 'round the campfire to hear how they got started. Visit bond.edu.au/Ideas-Camp.

BOND UNIVERSITY FILM AND TELEVISION AWARDS (BUFTA)

BUFTA is our short film competition for aspiring filmmakers in Year 11 and 12 from secondary schools across Australia. Visit bufta.com.au.

CENTRESCREEN

Centrescreen is the annual screening of our film and television student films. The special event serves to showcase the growth of our students as young filmmakers, their strengthened capabilities and their ability to produce high-quality, emotionally engaging films using state-of-the-art equipment. The evening is truly a spectacular cinematic experience, and a testament to our committed Bachelor of Film & Television students who have worked so tirelessly to create their graduate films. Visit bond.edu.au/student-films.

HIGH SCHOOL MOOTING COMPETITION

Bond Law challenges teams of students across Australia to prepare, articulate and defend complex arguments in order to solve problems in a courtroom environment. This competition is held from 8 - 18 May, 2018. Visit bond.edu.au/high-school-mooting-competition.

Students and families attending our annual Bond University Twilight Open Day.

EXPERIENCE DAYS

We invite Year 10 to 12 students on campus throughout the year to provide the opportunity to experience what life is like at Bond both inside and outside of the classroom. Our experience days for 2018 include:

A portrait of a young woman with long, wavy blonde hair, smiling warmly at the camera. She is wearing a light blue denim jacket. The background is a blurred outdoor setting with a wooden fence and some greenery.

AMY KOSA

Bachelor of Arts / Bachelor of Laws

"A MAJOR HIGHLIGHT FOR ME HAS BEEN MY INVOLVEMENT WITH BOND'S MOOTING PROGRAM. I STARTED OUT WITH INTERNAL COMPETITIONS AND THEN PARTICIPATED IN A DOMESTIC MOOT, AS WELL AS AN INTERNATIONAL ONE. THESE EXPERIENCES HAVE HELPED TO GROW MY LEGAL SKILLS AND I HAVE MADE SOME AMAZING FRIENDS IN THE PROCESS."

YOUR NEXT STEPS

Prepare for your future by following the below steps through the remaining years of senior school. Tick each box to track your success.

YEAR 10

- ☐ **EXPLORE YOUR TERTIARY EDUCATION OPTIONS**
Talk to friends, family, teachers, career advisors and tertiary education representatives about possible options including university, TAFE, apprenticeships and traineeships.
- ☐ **CREATE A STUDY PLAN**
This is the best time to get organised. Talk to your housemaster, teacher or career advisor about creating an effective study plan.
- ☐ **GOALS**
Write your short and long-term personal and career goals.
- ☐ **SUBJECT SELECTION**
Select subjects for Year 11 and 12. Check out the interstate subject and grading equivalents. To find out more, visit bond.edu.au/your-future.

YEAR 11

- ☐ **EXPERIENCE POST-SECONDARY EDUCATION**
Gather important dates to get involved and experience tertiary education for yourself including taking a campus tour where possible.
- ☐ **SCHOLARSHIPS AND FINANCIAL ASSISTANCE**
Take the stress out of Year 12 and research the various options in your state that you may need to apply for to fund your studies. Visit studyassist.gov.au.
- ☐ **CAREER AND STUDY PLAN**
Discuss your career and study plans with your family and career advisor.
- ☐ **REVIEW YOUR GOALS**
Review and rewrite your short and long-term goals.
- ☐ **ATTEND EXPERIENCE DAYS**
Experience Days are the best way to get a taste of university life along with finding out what degree is right for you. Add a few experience days to your calendar so you can make a well-informed decision for your choice of university.

YEAR 12

- ☐ **OPEN DAYS**
This is the best way for you to experience a university campus, TAFE or training college. Gather all the open day dates of the tertiary institutions you may be interested in at the beginning of the year so that you can be prepared.
- ☐ **ATTEND CAREER MARKETS AND EXPOS**
Expos make it easier for students to come to one place and gather information from a wide variety of tertiary education institutions. Don't pass up this free and valuable opportunity!
- ☐ **ATTEND EXPERIENCE DAYS**
Experience Days are the best way to get a taste of university life along with finding out what degree is right for you. Add a few experience days to your calendar so you can make a well-informed decision for your choice of university.
- ☐ **WORK EXPERIENCE**
By now you might be sure of the areas you're interested in pursuing next year. If so, now is a great time to plan for some work experience during your holidays.
- ☐ **SCHOLARSHIPS**
Start applying early for the scholarships you researched. Remember, don't rush! Give yourself plenty of time during the application process so you can do your best.
- ☐ **SUBMIT YOUR APPLICATION**
Apply to a few universities or training colleges that you may be interested in. Remember, you will be giving yourself another option when it comes to making that all important decision.
