**GENERAL INFORMATION**

The Graduate Certificate in Sport Management is taught in English and consists of 40 credit points, which normally takes one semester of full-time study. The Graduate Certificate in Sport Management is designed to provide students with introductory knowledge and skills to work with sporting Sessions, clubs, players and events. The program has been designed to achieve an integrated knowledge base using an evidence-based, case study approach.

**PROGRAM INFORMATION**

Following a review of the Graduate Certificate in Sport Management a new administrative version of the program has been created effective from May 2020. Under the new structure, we have replaced several subjects to ensure the program meets industry and students demands. While there are no major changes, some subjects have been removed or replaced.

**Assumed knowledge is the minimum level of knowledge of a subject area that students are assumed to have acquired through previous study. It is the responsibility of students to ensure they meet the assumed knowledge expectations of a specified subject. Students who do not possess this prior knowledge are strongly recommended against enrolling and do so at their own risk. No concessions will be made for students' lack of prior knowledge.**
