GENERAL INFORMATION

The Master of Finance course is a quantitatively rigorous program which integrates innovative subjects that highlight the Bond Business School's excellence in experiential and case-based teaching. The classes combine theoretical knowledge in Finance with practical insights delivered through case studies and guest lectures. Session building is encouraged through group projects and communication skills are enhanced through class presentations.

PROGRAM INFORMATION

Students may also use four of their electives to take a specialisation (4 Subjects) from the list below Big Data Specialisation

Digital Business Specialisation

Finance Specialisation

Marketing Specialisation

International Business Specialisation

Tourism & Hotel Management Specialisation

SUBJECT INFORMATION

Students can choose 2 General Elective Subjects (20CP). General elective – A subject that may be chosen from any subject on offer across the University provided requisites, enrolment restrictions and any other faculty requirements have been met. *Please note that the Professional Portfolio or Professional Development subject is a 20-week, 45-credit point subject and is taken in the last semester of the program once all other coursework subjects have been completed. The Career Development Centre will provide assistance in choosing the relevant professional subject prior to your last semester.

Assumed knowledge is the minimum level of knowledge of a subject area that students are assumed to have acquired through previous study. It is the responsibility of students to ensure they meet the assumed knowledge expectations of a specified subject. Students who do not possess this prior knowledge are strongly recommended against enrolling and do so at their own risk. No concessions will be made for students' lack of prior knowledge.
