PROGRAM INFORMATION							
The program provides a degree of flexibility to specialise in Data Analytics, Finance, Health Management, International Business, Marketing and Hotel, Resort and Tourism Management.							
SUBJECT INFORMATION							
ASSUMED KNOWLEDGE							
Assumed knowledge is the minimum level of knowledge of a subject area that students are assumed to have acquired through previous study. It is the responsibility of students to ensure they meet the assumed knowledge expectations of a specified subject. Students who do not possess this prior knowledge are strongly recommended against enrolling and do so at their own risk. No concessions will be made for students' lack of prior knowledge. Please check for all requirements on your subject outline prior to enrolment.							
OPPORTUNITIES							
Students may have the opportunity to participate in an international study tour experience or internship as a general elective. Those interested should consult an Enrolment Officer in Student Assist for guidance and to check eligibility requirements (e.g., GPA, language proficiency, prerequisites).
