PROGRAM INFORMATION				
As a student in Bond’s Master of International Hotel and Tourism Management (Professional) program, you will complete eight required subjects, one professional subject, and four elective core subjects over the course of four semesters. In your final, fifth semester you will complete a 20-week Professional subject. This study overview is based on a January starting semester.				
SUBJECT INFORMATION				
ASSUMED KNOWLEDGE				
Assumed knowledge is the minimum level of knowledge of a subject area that students are assumed to have acquired through previous study. It is the responsibility of students to ensure they meet the assumed knowledge expectations of a specified subject. Students who do not possess this prior knowledge are strongly recommended against enrolling and do so at their own risk. No concessions will be made for students’ lack of prior knowledge. Please check for all requirements on your subject outline prior to enrolment.				
OPPORTUNITES				
Students may have the opportunity to participate in an international study tour experience or internship as a general elective. Those interested should consult an Enrolment Officer in Student Assist for guidance and to check eligibility requirements (e.g., GPA, language proficiency, prerequisites).
