PROGRAM INFORMATION

Master of Business students are provided with an opportunity to develop their planning, analytical and interpersonal skills that will enable them to professionally advance their career prospects in business. The program provides students with a foundation in a variety of business practices, plus the ability to gain a new specialisation. The program provides a degree of flexibility to specialise in Data Analytics, Finance, Health Management, International Business, Marketing and Hotel, Resort and Tourism Management.

SUBJECT INFORMATION

ASSUMED KNOWLEDGE

Students may have the opportunity to participate in an international study tour experience or internship as a general elective. Those interested should consult an Enrolment Officer in Student Assist for guidance and to check eligibility requirements (e.g., GPA, language proficiency, prerequisites).

OPPORTUNITES

Students may have the opportunity to participate in an international study tour experience or internship as a general elective. Those interested should consult an Enrolment Officer in Student Assist for guidance and to check eligibility requirements (e.g., GPA, language proficiency, prerequisites).
