# Meet BUSA

**The Bond University Student Association, or BUSA for short, is a team of 21 volunteer students working towards one common goal: to enhance your experience at Bond University.**

Our commitment to you begins right now during Orientation and continues through to your Graduation. We offer regular social events, representational support, and advocate for the student perspective at the University's committees and on the sporting field. We also keep you informed along the way. Follow us on [Instagram](#) and [Facebook](#), or visit our [website](#) to stay up-to-date with the events, initiatives, and support we offer!

If you ever have a question, drop by our home in the Student Court. Turn right after leaving Don's between 10am and 3pm Monday to Friday, except on Wednesday's when you'll find us on the BBQ cooking a weekly sausage sizzle free for Bondies. Called Wednesday by the Water, the BBQ takes place from 12pm - 2pm in Don's or the Amphitheatre.

BUSA oversees all five Faculty Student Associations - the Law Students' Association (LSA), the Business Students' Association (BSA), the Medical Students Society of Bond University (MSSBU), the Health and Sport Sciences Student Association (HSA), and the Society and Design Students' Association (SDSA). We also coordinate more than 100 clubs and societies.

## Find your way around

The app will use your current location to guide you to where you need to go. Click here to connect to [MazeMap](#).

## Our campus locations

### Main Campus

The majority of Bond's programs are based here, including our on-campus student accommodation. Address: 14 University Drive, Robina QLD 4226.

### Bond Institute of Health & Sport (BIHS)

Home base for students in Physiotherapy, Occupational Therapy, Nutrition & Dietetics and Sports and Exercise Science programs. Address: 2 Promethean Way, Robina QLD 4226

## How room numbers work

Bond's rooms are labelled in the order of building number, followed by the level, and then room number. For example, 06\_02\_01 indicates Building 6, Level 2, Room 1.

## Understanding the semester code

At Bond, we refer to each semester with a three-digit number. **The upcoming January 2026 semester is 261.** To work out the semester number, take the last two digits of the year (e.g. 2026 - '26') and the number of the semester (we're in semester 1, so use '1').

## Parking on campus

Parking is free for all students at Bond with a valid digital parking permit. Register your details [online now](#).

## Student rights and responsibilities

The [Bond University Student Charter](#) sets out the expectations which you may have during your education at Bond and, in turn, outlines what we can expect from you. It is important that you familiarise yourself with the Student Charter which was developed in consultation with the Bond University Student Association.

## Your student ID card

Keep your card safe and with you at all times. It will provide:

- Access to the Main and Law Libraries, plus the Business Commons
