INSTRUCTIONS – PLEASE READ BEFORE PROCEEDING

1. Check the [recommended study plan](#) for the program you are applying to. This will give you an idea of the compulsory subjects, whether there are any majors and how many electives are included.
2. Download or print a copy of your completed subjects from [eStudent](#). Compare this information with the plan for the 'new' program. This will enable you to work out which subjects will credit to your new program and give a rough estimate of how many subjects will be left.
3. If you wish to proceed with the application, make an appointment to see an [Academic Advisor](#) in the Student Business Centre in week 9 and bring your information from 1 & 2 with you.
4. Students changing from an undergraduate to a postgraduate program CANNOT use this form. You will need to complete the '[Application for Postgraduate Admission](#)' form.
5. Students are permitted to change their program once; subsequent changes will incur a fee of \$50, as per Division 4, Section 43 of the Academic Regulations.
6. A change of program will only be processed until Friday Wk 1 of the current semester. Applications received after this date will be processed the next semester.
7. If the student is sponsored by the Saudi Arabian Cultural Mission a Financial Guarantee (FG) must accompany this form.
8. Please be aware that previous credit or advanced standing may not transfer to your new program.
